

# PRANOTI SAVADI

Software Engineer

[GitHub Profile](#) | [LinkedIn Profile](#) | [pranoti.savadi@gmail.com](mailto:pranoti.savadi@gmail.com)

Aspiring and motivated junior software engineer with good skills to analyze, plan and build software components. Have a keen eye for testing and finding gaps and fixing them. This comes from my 5 + years of experience as a Quality Assurance Lead in fintech industry. I have successfully lead QA teams and helped launch new products. Have won awards for my work for 4 years.
